Prof. Martin Pohl, Prof. Edson Urano

Date : 8th and 15th Dec 2012

Room : Seino A 206

Time : 10 AM ~

TWINS registration is available through Dec. 14

- Companies , universities, hospitals, public administration – all jobs are embedded in employment relations. Understanding these relations may help you to go your career path smoother.
- This course provides an **overview of the different roles** participants of employment relations usually perform.
- Participants will gain **practical experience** applying the knowledge they have learnt in a role play at the end of the class.
